

## 2012 Force Majeure Collaboration Series VI

---

Made by James Mantone of Syncline, the 2012 Collaboration Series VI is the estate's GMS blend. It offers classic white pepper, smoked meats, spring flowers and both black and blue fruits to go with full-bodied depth and richness on the palate. Possessing the hallmark purity of fruit of this estate, solid mid-palate concentration and an overriding sense of elegance, it's another beautiful wine that can be enjoyed now, or cellared for a decade.
