

2012 COLLABORATION SERIES VI
Grenache/Syrah/Mourvedre
Ciel du Cheval Vineyard | Red Mountain

“GMS blend offers classic white pepper, smoked meats, spring flowers and both black and blue fruits to go with full-bodied depth and richness on the palate. Possessing the hallmark purity of fruit of this estate, solid mid-palate concentration and an overriding sense of elegance, it’s another beautiful wine that can be enjoyed now, or cellared for a decade.”
