2015 FORCE MAJEURE  
CABERNET SAUVIGNON

---

Our estate Cabernet Sauvignon is grown primarily along the southwest ridge of our vineyard, in soils that are deep and loamy but contain many small rocks of fractured basalt, concretioned ash and granite from Missoula flood erratics. Coming from 10 year old vines that produce small berries with lots of power and concentration, this wine spent 22 months in 95% new French oak barrels after a long, warm fermentation and extended skin contact on some lots. Bottled unfiltered and unfiltered.

“The 2015 Estate Cabernet Sauvignon is a big, ripe, chewy effort offering loads of blackcurrants, licorice, scorched earth and chocolate. It’s undeniably Red Mountain in style yet, like all the wines here, is impeccably made. I suspect short term cellaring will be beneficial, but this baby has fruit!”

(93-95) points, Jeb Dunnuck, *The Wine Advocate*
