

# PARABELLUM WINES

Our Parabellum wines are crafted from fruit grown in selected blocks of our Red Mountain estate vineyard, and from lots classified during our blending process. Our goal with Parabellum is to produce beautiful, approachable and complex wines that can be enjoyed regularly and without extended ageing.

## 2015 PARABELLUM COULÉE

56% Syrah 44% Mourvèdre  
*Force Majeure Estate Vineyard*  
Red Mountain AVA

“The Rhône Blend entry cuvee is the 2015 Parabellum Rhone, and this beauty offers up ripe, rounded notes of peppery herbs, black fruits, hints of chocolate and licorice in a full-bodied, mouth-filling, textured package. It has terrific purity and is a downright sexy red to drink over the coming 5-6+ years. There are just 200 cases made.”

- Jeb Dunnuck, *The Wine Advocate*

## 2015 PARABELLUM ALLUVIO

54% Cabernet Franc, 25% Cabernet Sauvignon,  
15% Merlot, 6% Petit Verdot  
*Force Majeure Estate Vineyard*  
Red Mountain AVA

“The entry-level cuvée of the estate, the 2015 Parabellum Bordeaux is another mineral-laced effort that dishes up tons of ripe cassis and blackcurrant fruit, full-bodied richness and surprising structure and tannic grip on the palate. Nevertheless, it’s a sexy red that’s going to drink beautifully on release or with just short term cellaring. I’ve said it before, and I’ll say it again, the two entry-level wines from this estate compete, or surpass, most estates’ top wines.”

- Jeb Dunnuck, *The Wine Advocate*
