2018 FORCE MAJEURE  
CABERNET SAUVIGNON

---

Our estate Cabernet Sauvignon is grown primarily along the southwest ridge of our vineyard, in soils that are deep and loamy but contain many small rocks of fractured basalt, concreted ash and granite from Mis-soula flood erratics. Coming from 13 year old vines that produce small berries with lots of power and concentration. Bottled unfinned and unfiltered.

“More tight, backward, and reserved, yet certainly loaded with potential, the 2018 Cabernet Sauvignon Red Mountain Estate (95% Cabernet Sauvignon, 3% Merlot, and 2% Petit Verdot) reveals a saturated purple hue as well as powerful notes of blackberries, cassis, graphite, espresso roast, and crushed rocks. It’s best of a wine and not for those looking for instant gratification, but it’s going to keep for 30 years or more.”
