2019 FORCE MAJEURE  
CABERNET SAUVIGNON

---

Our estate Cabernet Sauvignon is grown primarily along the southwest ridge of our vineyard, in soils that are deep and loamy but contain many small rocks of fractured basalt, concreted ash and granite from Mis-soula flood erratics. Coming from 14 year old vines that produce small berries with lots of power and concentration. Bottled unfinned and unfiltered.

“The 2019 Cabernet Sauvignon Red Mountain Estate is a stunner, and Cabernet lovers are advised to jump on this beauty. Lots of cassis, graphite, chalky minerality, and lead pencil notes soar from the glass, and it’s full-bodied, with a dense, concentrated mid-palate, ripe tannins, and a great, great finish. It’s a ripe, polished Cabernet that shows classic Red Mountain minerality and structure.”
