2020 FORCE MAJEURE
CABERNET SAUVIGNON

Our estate Cabernet Sauvignon is grown primarily along the southwest ridge of our vineyard, in soils that are deep and loamy but contain many small rocks of fractured basalt, concreted ash and granite from Missoula flood erratics. Coming from 14 year old vines that produce small berries with lots of power and concentration. Bottled unfinned and unfiltered.

“The 2020 Cabernet Sauvignon Red Mountain checks in as 92% Cabernet Sauvignon, 4% Merlot, and the rest Petit Verdot and Cabernet Franc, aging in 75% new French oak. This red and blue-fruited beauty has lots of chalky, graphite, and tobacco aromatics, medium to full body, ripe, polished tannins, and a balanced, lengthy, remarkably pure style on the palate. It’s another beautiful barrel sample from this estate that should certainly rank with the crème de la crème in the vintage.”

– Jeb Dunnuck, 94-96+ points

92% Cabernet Sauvignon | 4% Merlot | 4% Petit Verdot
1% Cabernet Franc

Fermented in concrete and stainless closed top tanks

Aged in 75% new French oak
