2020 WALLA WALLA ESTATE
CABERNET SAUVIGNON

Our Walla Walla Estate Cabernet Sauvignon is grown on the Oregon side of the state line within the Walla Walla Valley AVA. Coming from 19-year-old vines that produce beautiful wines of finesse.

“The 2020 Cabernet Sauvignon Walla Walla Valley Estate comes from the western side of the estate vineyard and includes 5% Merlot, all aged in 78% new French oak. There will be just 270 cases produced, but it’s a beautiful, medium to full-bodied, ripe, balanced Cabernet with impressive red and blue fruits, some liquid rock-like minerality, notes of cedary spice and violets, ripe tannins, and a great finish.”

– Jeb Dunnuck, 94-96 points

95% Cabernet Sauvignon | 5% Merlot

Fermented in concrete and stainless closed top tanks

Aged in 78% new French oak
