## **2021 Force Majeure Syrah Red Mountain Estate**

---

The 2021 Syrah Red Mountain Estate is a sensational wine in the making. Offering incredible aromatics of ripe black fruits, cassis, ground pepper, and violets, it hits the palate with full-bodied richness, a silky, layered, concentrated mouthfeel, and beautiful tannins. It picks up a remarkable sense of minerality with time in the glass and this is one heavenly Syrah that will evolve for two decades. The blend is 99% Syrah and 1% Viognier, fermented with 15% stems and aging in larger format French oak. 401 cases.
