2021 FORCE MAJEURE  
CABERNET SAUVIGNON

---

Our estate Cabernet Sauvignon is grown primarily along the southwest ridge of our vineyard, in soils that are deep and loamy but contain many small rocks of fractured basalt, concreted ash and granite from Missoula flood erratics. Coming from 15 year old vines that produce small berries with lots of power and concentration. Bottled unfined and unfiltered.

“A wine that’s going to be a candidate for perfection is the 2021 Cabernet Sauvignon Red Mountain Estate, which is 94% Cabernet Sauvignon, 5% Merlot, and 1% Petit Verdot that was vinified in a mix of stainless steel and concrete tanks and will spend 22 months in 78% new French oak. Sensational notes of cassis, crushed stone, tobacco, and lead pencil shavings give it a Pauillac-like character, and it’s full-bodied, incredibly concentrated, has building tannins, and a great mid-palate. It’s an incredible, possibly legendary, Washington State Cabernet Sauvignon”
