2021 WALLA WALLA ESTATE
CABERNET SAUVIGNON

Our Walla Walla Estate Cabernet Sauvignon is grown on the Oregon side of the state line within the Walla Walla Valley AVA. Coming from 20-year-old vines that produce beautiful wines of finesse.

“The 2021 Cabernet Sauvignon Walla Walla Valley Estate comes from 1998 plantings and is 95% Cabernet Sauvignon and 5% Merlot. It has some exotic, bloody blue fruits as well as incredible complexity in its lavender, violet, iron, and spice-driven aromatics. Medium to full-bodied and balanced, with fine tannins and terrific purity, it’s another gorgeous wine in the making. There are 225 cases, so not much to go around. The élevage here will span 22 months in 75% new French oak.”

– Jeb Dunnuck, 96-98 points

95% Cabernet Sauvignon | 5% Merlot
